

The BRWA Team needs you!

*Please help to support our partner
Alternatives Unlimited in the
32th Annual Valley Friendship Tour!*

Saturday June 3, 2017

The BRWA is gathering a team to walk, bike, or run in support of Alternatives Unlimited, one of Central Massachusetts' leading human service providers.

By forming a team we not only support our very special partners but we can also raise funds for the BRWA.

The first \$625 we raise will go to support Alternatives' services, EVERYTHING beyond that goes to support the BRWA.

June 3rd Event Schedule: The walking, running, or riding (whichever you choose) takes place in the morning and is all done by 12 pm. We will start at Alternatives in Whitinsville and move through the nation's newest National Park - the beautiful and historic Blackstone Valley. All athletic levels are welcome and we'll have a choice of four non-competitive routes. At the Finish Line, we'll enjoy a delicious lunch, live music and tours of the Whittin Mill. We'll even have the chance to win some great prizes. Registration fee is \$30.00

Please join or sponsor the BRWA Team today

Why fundraise for Alternatives?

Alternatives is a fantastic partner with the BRWA, helping to sponsor events like the *Annual Earth Day Cleanup* and the *Clean and Green Fair* and most recently our very successful *Family Fun Fishing Day*. Alternatives has been doing phenomenal work in Central Massachusetts communities for 40 years.

About Our Partner, Alternatives

Alternatives Unlimited, Inc. (Alternatives) has been helping individuals with psychiatric or developmental disabilities build successful and satisfying lives in the community for more than 35 years - lives that include real homes, real jobs and real relationships. Our Mission is to provide the necessary skills and supports, so that each individual can be successful and satisfied in the community setting of his or her choice with maximum use of community networks. We offer residential, employment, day and outpatient counseling services through 60 programs across Central Massachusetts and sponsor community activities that people of all abilities can enjoy together. Last year, Alternatives helped more than 2000 people begin each day with a personalized plan to improve their lives.
